The California King Gold Mines Company.

Incorporated Under the Laws of Arizona.

1,000,000 Shares. Capital, \$5,000,000. Full Paid and Par Value, \$5 Each. Nonassessable.

MINES LOCATED IN
Pacacho Basin, San Diego County, California.

PROPERTY consists of 25 claims, the Flaming, Bull Domingo, Old Romance, Lutes, E. California, La Fall, Golden, O. K., Golden Casket, Mars, Goshen, Old Colorado, Santa Rita, North Bell, Apache, Old Marble, Almira, Rica Tierra, Venus, West, West Goshen, Delicosa, Golden Rule, Valentine, Helen Mars, Gold Key, Old Glory, Mars S. E. and San George.

Also, a continuous tract of land connecting the mines with the mills. The mill covers 40 acres, with a tonnage of over 1,000 ft. on the Colorado River.

There is no question that modern mining when properly conducted offers far greater inducements to the investor of capital than any other form of investment, and especially more profitable than Gold Mining; the product of your mine is the foundation of the world, the demand for which never fails, the market is never overstocked, the price seldom fluctuates, wars, elections, stagnation of business, even panics, have no effect on gold mining. The Government is your market place, and the whole world is your ready customer.

Therefore, only two questions arise in your investment, the investment, the quantity and value of the ore, the reliability, capability and responsibility of the officers and managers of the company.

That the mines of this company have been examined and passed upon by such eminent experts as MAJOR H. G. CATLIN, MR. EMERSON GEE, MR. J. L. SHEPARD, MR. T. C. DUBOIS, FRANK C. WRIGHT and MR. M. J. Their reports are on file in our office and open for inspection.

That the Reclamation Works, when completed (about July 1st), will be the largest of its kind in the United States, with a capacity of treating over 1,000 tons of ore per day.

That the railroad has been completed from the mines to the works, equipped with two engines and 50 cars, the length of the road being 11 miles.

That the present pay roll of the company consists of about 40 men, which requires a monthly disbursement of \$15,000.
